REAL- WORLD PROJECTS

Participants will work on multiple hands-on projects to solidify their learning

- ✓ Static LinkedIn Page
- ✓ Quiz Game Application
- ✓ Quora-like Q&A Platform
- ✓ Airbnb Clone
- ✓ E-commerce Website
- ✓ YouTube Clone

CERTIFICATIONS

1. Upon successful completion, learners will receive

- ✓ Course Completion Certificate
- ✓ Internship Completion Certificate

These certifications validate the skills and knowledge acquired during the program.

WHAT WE OFFER

- ☑ **Live Lectures:** Interactive sessions with industry experts
- ☑ **Recorded Lectures:** Access to session recordings for revision
- ☑ **Video Lectures:** Pre-recorded content for self-paced learning
- ☑ **Curated Notes:** Comprehensive study materials
- ☑ **Assignments:** Practical exercises to reinforce learning
- ☑ **Assessments:** Regular evaluations to track progress
- ☑ **Structured Learning:** Well-organized curriculum for effective learning
- ☑ **Placement Preparation:** Resume building, mock interviews, and job readiness training
- ☑ **Certification:** Recognized credentials upon course completion
- ☑ **Online Support:** Assistance from instructors and peers
- ☑ **Live Tests:** Simulated exams to prepare for real-world scenarios

Placement Assistance

InCrafto collaborates with a network of hiring partners to facilitate job placements for coursegraduates. Our partners include

- ☑ **Tech Companies:** Amazon, Microsoft, IBM
- ☑ **Consulting Firms:** Deloitte, Accenture
- ☑ **Startups:** Various emerging tech startups
- ☑ **Financial Institutions:** Banks and fintech companies
